STANDING ROOM IN DEMAND.
A Great Crowd Greeted the Murray Comedy Company at the Opening of the Opera House.

The largest crowd ever assembled in the new opera house was there last night at the opening, for the season, to witness the initial performance of the Murray Comedy Company. By 8 o'clock every seat was filled and dozens had to leave for want of even standing room.

The Murray's have been rehearsing here for the past two weeks, and the appreciation shown by last night's audience is sufficient evidence that their performance was rendered in a most excellent manner. A number of new faces are seen with them this season. Miss Lillian Mae Crawford, the leading lady, was very clever, as were also Grace Lambert and Mona Earle.

Victor Lambert, as Joe Singleton, was fine and had the audience with him throughout. Harry Stanley, Fred Tillish, Frank Whitman and Frank Robinson were all good in their respective roles and taking everything into consideration this is easily the best repertoire company that ever played here.

The feature of the evening was Miss Lonnie Deane's serpentine and illusion dances. She is a beautiful woman and her different dances with the electrical effects were pronounced the most artistic ever seen here. She will be seen in a change of dances each night.

To-night they present "Uncle John's in Town"—a comedy in three acts. Tickets 10, 20 and 30 cents.

Manchester Fair September 6, 7 and 8.
On the above dates the C. and O. will sell round trip tickets, Maysville to Manchester, at rate of one fare, 35 cents. Return limit September 9th.

That Tired Feeling Is a Certain Sign That You Don't Work Hard Enough.

[Exchange.]
"When you hear a man complaining of 'that tired feeling,' you may be sure that he spends more of his day talking and lounging than working," said a well-known physician.

"A truly hard worker never suffers from this disease, for such it is. It arises from not working off, by either mental or manual exercise or work, the superfluous energy given to every man. This energy, if left, turns itself, so to speak, to forming poisonous juices which sap the vitality.

"Just as a thoroughly trained athlete waits with certainty his second wind, so every really hard-working business man knows that he does his best work after he has shaken off 'that tired feeling.'

"In fact you will find that a really hard worker never complains of it after he has passed his twenty-fifth or twenty-seventh year, because he has then trained this energy to do its proper work—that is, keep his mind and body fresh and vigorous."

Asthma, bronchitis, hoarseness and all diseases of the throat, chest and lungs are surely cured by it. Call on J. J. Wood & Son, druggists, and get a trial bottle free. Regular size 50 cents and \$1. Motion For Change of Venue.
Darien, Ga., Sept. 4.—The superior court was engaged in hearing a motion for a change of venue in the case against John, Edward and Miranda Delagel, charged with the murder of Mr. Joseph Townsend during the recent rioting at this place. The three prisoners were brought from the jail to the courthouse under 12 soldiers commanded by Lieutenant Fox. The statement of the accused was to the effect that the killing of Mr. Townsend had excited the white people and that the natural prejudice of the people was now widespread. Judge Seabrooks decided that he would let the state present counter evidence.

Superior and Kentucky DISC DRILLS

Are King and Queen of all Drills. Their superiority over all competitors are too well known to need comment; suffice it to say that we placed over sixty of these Drills the past season and have yet the first complaint from a single purchaser. On the other hand every one who used them stand ready and willing to give their testimonial as to the superior work done by them, and their unanimous verdict is if you expect to purchase a Drill this season, get either the

SUPERIOR OR KENTUCKY

and no other. Do not delay placing your orders and there will be no disappointments, as is the case each season when we are forced to resort to the river and express, which makes an additional expense. Every Drill is warranted to be just as represented. Do not allow yourself to be talked into buying some inferior Drill for the sake of saving a few dollars. Remember the cheapest is not the best, but the best is always the cheapest. Respectfully,
